

## Reforest Kalimantan Today!

### Fairventures Worldwide and Fairventures Social Forestry are hiring

#### **Junior Project Manager: Business and Market Development**

Fairventures is a German-based organization that develops and manages large-scale forest landscape restoration. Our approach is demand-driven: we link with the private sector and plan forestry interventions with supply chain needs at the core. We partner with communities to develop and test site-specific solutions, ranging from reforestation with fast-growing tree species to non-timber forest products and agroforestry. We restore ecosystem services and create livelihood opportunities for local communities on the ground, while contributing to the mitigation of climate change and creation of added value along the entire value chain.

#### **Fairventures Social Forestry**

Fairventures Social Forest (FSF) is active on the Indonesian island of Kalimantan (Borneo). FSF works on land provided by the Indonesian Government to local communities via Social Forestry Permits. FSF cooperates with the local permit holders, providing required capital, management expertise, and access to markets. FSF creates a sustainable supply chain in deforestation-free tropical timber, transferring knowledge to the local population, implementing and managing sustainable processes, monitoring with drone and web-based technology, and securing sales to established industry partners. We cooperate on 4,000 ha of Social Forest plantation in Borneo and have begun large-scale planting.

#### **A Future in Reforestation**

FSF is currently looking for a candidate able to fill the role of Junior Project Manager Business and Market Development. This is a one-year (minimum) position based in Palangka Raya, Central Kalimantan with working visa. This is an entry-level position for candidates with the necessary skills and is an excellent chance to engage in sustainable solutions. The Junior Project Manager is the link between the CEO in Germany and the Operations teams on the ground.

Responsibilities include:

- Spending and budget management
- Creating / challenging work plans and coordinating multiple workstreams
- Coordination of project activities of FSF and for development projects aimed at the tropical lightwood timber supply chain on Kalimantan
- Supervision of FSF team members, and the legal affairs officer in registration and government negotiations
- Supporting the communications team to develop lobbying and government-relations strategy
- Supporting the outreach team to develop community relations strategies
- Reporting and problem solving on critical issues to the senior management team in Kalimantan and in Germany
- Representing the CEO in meetings in Indonesia

## Requirements

- Ability to start immediately
- Fluent Bahasa Indonesia and Fluent English are obligatory
- Deep knowledge of Indonesian culture, preferably with knowledge of Dayak culture
- Strong budget/ economic-management education or experience
- Ability to create, analyze, communicate and execute action plans
- Ability to successfully negotiate with Indonesian authorities
- Ability to coordinate multi-national team members and navigate intercultural communication
- Willingness to learn project cycle management and to use assigned management tools
- Attention to detail and professionalism in planning, execution and reporting tasks
- Ability to travel to the field and spend up to a week in basic forest conditions
- Ability to work long hours under stress to meet deadlines and challenges

We are looking for a young professional who wants to learn and grow with Fairventures. We are on the front line of the fight to mitigate the effects of climate change and we believe in making a sustainable future for the communities we serve. We are dedicated to each other and to the work that we are doing. Please reach out if you are interested in joining us.

## Next Steps

Qualified candidates should send:

- 1) Cover letter
- 2) CV

To Fiona Dietz, [fiona.dietz@fairventures.org](mailto:fiona.dietz@fairventures.org)

**Interested candidates are encouraged to apply as soon as possible.**
